

The Truehart Award Application School Year 2011-2012

The Truehart Award is an award presented annually in memory of Cathy Truehart Lemek, a 1973 graduate of Easthampton High School. Cathy was a devoted mother, loving wife and well-respected business owner of Truehart's Florist & Country Shop. She was a cheerful and well-loved woman who used her education and talents to bring sunshine into the lives of people on a daily basis. She had a passion for people, with a strong sense of community and family.

This year we will award two high school graduates with \$500 each. The application process is open to graduating seniors who are Easthampton residents. We are seeking students with plans to immediately enter the workforce and/or enroll in an associate or certificate program.
